

20L/Day Domestic Portable Dehumidifier

PRODUCT FEATURE

- LED digital display & operation panel
- Automatic swing function. Low/High air speed
- Purification function: Ionizer, UV Lamp, Active Carbon
- Both bucket and continuous hose drain
- Low temperature auto-defrost
- 1-24 hours timer on and timer off
- Automatic water full alarm & stop
- Power memory & restart function
- Universal castors, easy to move around

Power Memory

Restart from a sudden power outage

Operation Interface

LED display, simplified button control

Smart Timer

Enjoy a low energy & superior sleep

Super Large Bucket

4L concealed large bucket

Air Purification

Ionizer, UV Lamp, Active Carbon

Automatic Swing

Offer a uniform drying solution

TECHNICAL SPECIFICATION

Model	DH-830ARC	Refrigerant/Charge	R134a/130g
Rated Capacity (27°C, 60%)	11L(23pints)/Day	Drainage	Hose/Bucket (4L)
Rated Capacity (30°C, 80%)	20L(42pints)/Day	Noise Level	≤40db(A)
Power Source	220V/60Hz/1Ph	Speed Mode	Low/High
Rated Power/Current	330W/1.5A	Net Weight/Gross Weight	15.5Kg/17kg
Available Temperature	5-32°C	Measurement	350x215x590mm
Applicable Area(H=2.6m)	<30m ²	Package Size	418x278x637mm
